

One-click video recording

Easily record and live stream video presentations, online training, product demos, lectures, class assignments, meetings and more. www.panopto.com/video-recording

Video presentations made easy

Just press *record*. Panopto automatically syncs your video streams, slides, screens, and more.

Record your screen(s)

Record multiple screens, add webcam video, and live stream with one-click, all in high-def.

Multi-camera recording

Record up to 4 streams with a single laptop. Connect laptops and capture even more.

Easy professional live streaming

Turn any recording into a live webcast with a single click, right from your Mac or PC.

Present from your mobile device

Native mobile apps make it simple to capture and upload video anywhere.

Web-based administration

Schedule and manage your video recordings from a web browser or smartphone.

The world's
top learning
organizations
choose Panopto:

Press *record*. Present. Press *stop*. Panopto takes care of the rest.

Record

Easy-to-use video capture software for Windows, Mac, and iOS. Record anything from a simple screencast to a multi-camera event.

Webcast

Live stream your video presentation at the click of a button. Webcast your event to ten people across town or 10,000 around the world.

Search

Search for any word spoken or shown on-screen across every video in your library. Panopto's Smart Search is the industry's best.

Manage

Our video platform has been recognized as a Leader two years in a row in Gartner's Magic Quadrant for Video Content Management.

Upload

Upload your existing video files. Panopto automatically converts them for playback on any device and makes them searchable.

Stream

Efficiently deliver video across your network and over the Internet to viewers worldwide, with less buffering and higher-quality playback.

Play

Engage your viewers with interactive video players that support multi-camera HD playback, inside video search, digital notes, and more.

Edit

Our HTML5-based video editor makes it easy for anyone to accomplish common editing tasks, right from any web browser.

Measure

Web-based analytics that provide insights into which videos are most popular, who watched which videos, video engagement, and more.

Mobile

Native mobile apps for iOS and Android bring video recording, upload, search, and playback right to your viewers' smartphones and tablets.

Integrate

Connect Panopto with your identity provider, LMS, CMS, CRM, or social software, and extend Panopto's functionality with our open APIs.

Service

Panopto Support has earned a 99% customer satisfaction rating, 3 years running. Best of all, its included standard in every license.
