

# Mobile video made easy

Mobile playback is just the beginning. Upload, search, manage and more with native iOS and Android apps and an intelligent, mobile-ready CMS. [www.panopto.com/mobile](http://www.panopto.com/mobile)

## Automatic device detection

Automatically deliver a playback experience optimized for each viewer's device.

## iOS and Android apps

Native mobile apps that support video playback, upload, search, and more.

## Search inside your videos

Find and fast forward to any word spoken or shown in any video, right from the app.

## Mobile captions

Give viewers the ability to see closed captions during playback.

## Custom playback options

Display videos side by side, picture-in-picture, or using multi-camera tile view.

## Download to go

Enable viewers to quickly download videos to watch them offline anytime.

The world's top learning organizations choose Panopto:

Cornell University

# Press *record*. Present. Press *stop*. Panopto takes care of the rest.

## Record

Easy-to-use video capture software for Windows, Mac, and iOS. Record anything from a simple screencast to a multi-camera event.

## Webcast

Live stream your video presentation at the click of a button. Webcast your event to ten people across town or 10,000 around the world.

## Search

Search for any word spoken or shown on-screen across every video in your library. Panopto's Smart Search is the industry's best.

## Manage

Our video platform has been recognized as a Leader two years in a row in Gartner's Magic Quadrant for Video Content Management.

## Upload

Upload your existing video files. Panopto automatically converts them for playback on any device and makes them searchable.

## Stream

Efficiently deliver video across your network and over the Internet to viewers worldwide, with less buffering and higher-quality playback.

## Play

Engage your viewers with interactive video players that support multi-camera HD playback, inside video search, digital notes, and more.

## Edit

Our HTML5-based video editor makes it easy for anyone to accomplish common editing tasks, right from any web browser.

## Measure

Web-based analytics that provide insights into which videos are most popular, who watched which videos, video engagement, and more.

## Mobile

Native mobile apps for iOS and Android bring video recording, upload, search, and playback right to your viewers' smartphones and tablets.

## Integrate

Connect Panopto with your identity provider, LMS, CMS, CRM, or social software, and extend Panopto's functionality with our open APIs.

## Service

Panopto Support has earned a 99% customer satisfaction rating, 3 years running. Best of all, its included standard in every license.
