

Modern video streaming

Panopto's video platform helps you deliver video efficiently across your network and to remote users anywhere in the world. www.panopto.com/video-delivery

Network-friendly streaming

Panopto delivers video efficiently and securely using standard HTTP.

Automatic device detection

Automatically deliver a playback experience optimized for each viewer's device.

Bundled or bring-your-own CDN

Use Akamai and Amazon CloudFront out of the box, or connect Panopto with your CDN.

Compatible with your WAN Op

Panopto works out of the box with all major WAN optimization solutions.

Includes the Panopto ECDN

For organizations without existing WAN Op, Panopto provides an enterprise CDN.

Live and on-demand delivery

Capture video for on-demand viewing, or stream live to tens of thousands of viewers.

The world's top learning organizations choose Panopto:

Press *record*. Present. Press *stop*. Panopto takes care of the rest.

Record

Easy-to-use video capture software for Windows, Mac, and iOS. Record anything from a simple screencast to a multi-camera event.

Webcast

Live stream your video presentation at the click of a button. Webcast your event to ten people across town or 10,000 around the world.

Search

Search for any word spoken or shown on-screen across every video in your library. Panopto's Smart Search is the industry's best.

Manage

Our video platform has been recognized as a Leader two years in a row in Gartner's Magic Quadrant for Video Content Management.

Upload

Upload your existing video files. Panopto automatically converts them for playback on any device and makes them searchable.

Stream

Efficiently deliver video across your network and over the Internet to viewers worldwide, with less buffering and higher-quality playback.

Play

Engage your viewers with interactive video players that support multi-camera HD playback, inside video search, digital notes, and more.

Edit

Our HTML5-based video editor makes it easy for anyone to accomplish common editing tasks, right from any web browser.

Measure

Web-based analytics that provide insights into which videos are most popular, who watched which videos, video engagement, and more.

Mobile

Native mobile apps for iOS and Android bring video recording, upload, search, and playback right to your viewers' smartphones and tablets.

Integrate

Connect Panopto with your identity provider, LMS, CMS, CRM, or social software, and extend Panopto's functionality with our open APIs.

Service

Panopto Support has earned a 99% customer satisfaction rating, 3 years running. Best of all, its included standard in every license.
