

Video management made easy

Panopto provides the industry-leading content management system for securely storing and sharing all of your organization's video content, on-premises or in the cloud. www.panopto.com/video-cms

A secure "internal YouTube"

Store and manage your videos in a central video library, on-premises or in the cloud.

Easily upload your media files

Panopto is compatible with the widest range of video and audio files.

Hassle-free transcoding

Every file uploaded to Panopto is converted for optimal playback on any device.

Web-based video editing.

Easily trim and combine videos, embed quizzes, edit captions, and more.

Analytics and reporting

Get detailed reports on engagement and drop-off rates for every video in your library.

Brand customization

Easily set the colors and logo of your video portal and players to match your brand.

The world's top learning organizations choose Panopto:

Press *record*. Present. Press *stop*. Panopto takes care of the rest.

Record

Easy-to-use video capture software for Windows, Mac, and iOS. Record anything from a simple screencast to a multi-camera event.

Webcast

Live stream your video presentation at the click of a button. Webcast your event to ten people across town or 10,000 around the world.

Search

Search for any word spoken or shown on-screen across every video in your library. Panopto's Smart Search is the industry's best.

Manage

Our video platform has been recognized as a Leader two years in a row in Gartner's Magic Quadrant for Video Content Management.

Upload

Upload your existing video files. Panopto automatically converts them for playback on any device and makes them searchable.

Stream

Efficiently deliver video across your network and over the Internet to viewers worldwide, with less buffering and higher-quality playback.

Play

Engage your viewers with interactive video players that support multi-camera HD playback, inside video search, digital notes, and more.

Edit

Our HTML5-based video editor makes it easy for anyone to accomplish common editing tasks, right from any web browser.

Measure

Web-based analytics that provide insights into which videos are most popular, who watched which videos, video engagement, and more.

Mobile

Native mobile apps for iOS and Android bring video recording, upload, search, and playback right to your viewers' smartphones and tablets.

Integrate

Connect Panopto with your identity provider, LMS, CMS, CRM, or social software, and extend Panopto's functionality with our open APIs.

Service

Panopto Support has earned a 99% customer satisfaction rating, 3 years running. Best of all, it's included standard in every license.
