Video management made easy

Panopto provides the industry-leading content management system for securely storing and sharing all of your organization's video content, on-premises or in the cloud. www.panopto.com/video-cms

A secure "internal YouTube"

Store and manage your videos in a central video library, on-premises or in the cloud.

Easily upload your media files

Panopto is compatible with the widest range of video and audio files.

Hassle-free transcoding

Every file uploaded to Panopto is converted for optimal playback on any device.

Web-based video editing.

Easily trim and combine videos, embed quizzes, edit captions, and more.

Analytics and reporting

Get detailed reports on engagement and drop-off rates for every video in your library.

Brand customization

Easily set the colors and logo of your video portal and players to match your brand.

The world's top learning organizations choose Panopto:
