Your Complete At Home Video Solution

Panopto™

Our transcripts, captions, and subtitles provide a multitude of benefits; the most important being accessibility, but also extra value benefits like in-video search, access to broader audiences, and improved learning outcomes.

Easy Workflows

Using smart automation our CaptionSync service seamlessly integrates with existing workflows and accelerates the captioning process. This saves your staff time, and also allows us to stay competitively-priced without sacrificing quality.

Quality

The quality of captioning and audio description has a direct impact on the perceived quality of your video content. AST shares your vigilance for quality and reputation, and we provide highly accurate results, even for specialized content such as STEM subject-matter.

AST's CaptionSync service is the leading video accessibility service for accuracy, cost-effectiveness, and ease of use.

# Panopto is the Easy To Use Platform For All Your Video Content

Record

Easy-to-use software for Windows, Mac, and iOS. Record anything from a simple screencast to a multi-camera event.

Webcast

Live stream your presentation at the click of a button. Webcast to ten people across town or 10,000 around the world.

Search

Find any word spoken or shown on-screen in any video in your library. Panopto's search is the industry's best.

Manage

Manage and securely share videos across your organization. Centralize all of your video assets in a secure video library.

Upload

Panopto automatically converts your existing video files for playback on any device and makes them searchable.

Stream

Efficiently deliver video across your network and over the Internet to viewers worldwide.

CaptionSync
by Automatic Sync Technologies

Try CaptionSync in your organization.
